

Destiny Library Catalog

- Once logged in to the Destiny Library catalog, you can:
 - check the My Info tab to see what you have checked out and when it is due.
 - search for books, and narrow by reading level
 - renew your own books
 - place holds on books you want to read
 - keep track of your reading by using the Resource Lists feature
 - write a review of a book you just read
- Access:** log in as you would to any district computer.

Destiny Library Hometab

- Use the Hometab to link to all online library resources provided by the district.
- Students should begin all research at the Destiny Library hometab.

See the log in information for each resource under the description of the database.

FollettShelf

The FollettShelf is used to host eBooks and digital databases. Click the FollettShelf link from the Destiny hometab.

Access: log in to the Follettshelf using the same log in as you would for any district computer.

eBooks on the Follettshelf can be read online or checked out.

Digital Databases:

Click the link in the upper right to access PebbleGo, PowerKnowledge Science, Tumblebook Library, and Tumble Book Cloud Jr, as well as the bilingual eBooks under Capstone Interactive and Rourke Interactive.

You must be logged in to the Follettshelf for the Digital Database link to appear. Once logged in, the databases will open without another log in.

PebbleGo

-on the Follettshelf; PebbleGo is designed for emergent readers in Grades K-3. Animals, Earth & Space, Biographies and Social Studies – informational articles, as well as learning games. Content can be read out loud.

PowerKnowledge

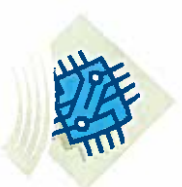

- on the FollettShelf; PK has informational science articles, video clips, photos and science fair project ideas. Content is designed for Grades 3-6.

Tumblebook Library

-on the FollettShelf; picture book eBooks which can be read out loud to the student. For Grades K-2

Tumblebook Cloud, Jr.

-on the FollettShelf; beginning chapter books, graphic novels, audiobooks and some videos. For Grades 3-6.

Capstone – Rourke

Interactive

-on the FollettShelf; Capstone and Rourke Interactive databases both contain bilingual eBooks that can be read out loud in both English and Spanish

Visit your online library at

World Book Encyclopedia Online

-the respected print encyclopedia, online, but with added photos, maps, tables, charts and videos. Informational articles about everything under the sun.

Three reading levels:

World Book Kids, World Book Student and World Book Advanced. We also subscribe to World Book in Spanish.

Access:

Click the link from the Destiny homepage.

Log in: waukesha

Password: media

CultureGrams

-engaging content about every state, province and country in the world.

Maps, timelines, flags and other graphic content in addition to text information about each location

Access:

Click the link from the Destiny homepage.

Log in: waukesha

Password: media

BrainPOP, BrainPOP, Jr

-videos, games, quizzes and other learning activities about a wide variety of informational subjects.

We also subscribe to BrainPOP in Spanish.

Access:

Click the link from the Destiny homepage.

Log in: waukesha Password: media

OverDrive

-popular fiction in a eBook format to download on your mobile device.

-eBooks in Spanish

-check out and download eBooks to read on your iPad or other mobile device

-the eBooks check themselves in when due – no overdue or lost library books

Access:

Download the free app, and then log in just like you would to any district computer

Access on a desktop computer:

Click the link from the Destiny homepage

Log in to OverDrive online as you would any district computer.

OverDrive works best from the app on a mobile device. If you use OverDrive on a desktop computer, use the "Read Now" feature, not the "Download" feature.
